FRIDAY, MAY 21, 1886.

WASHINGTON LETTER.

(From our regular correspondent.)
WASHINGTON, May 17, 1386. Some of the president's latest work has been that of carefully examining private derly said: non bills. He was supposed to have work enough to do already without assum- tant one, and I sometimes think it is the ing any new burdens; but it seems he feels main issue. The large number of applicathe necessity of taking a hand himself in tions during the past year to grant disthe retrenchment campaign which Mr. pensation to allow the initiation of rum-Hewitt and some other influential Demo- sellers was alarming. I have persistently crats have begun in the house of represen- refused them, and will enjoin my succestatives. Mr. Cleveland's predecessors sor, if he values the future success of the have generally regarded life as too short order, to shut the doors with triple burs to spend in examining this class of legisla-tion with special care. They have con-lented themselves with the assurance that congress had opportunies for investigating | The rum-seller who seeks admission into the claims in the most thorough manner, labor society does so with the object that and that if the bills had got through both he may entice its members into his saloon honses there must have been some merit after the meetings close. No question of

interest to labor has ever been satisfactori-A few days since a rumor about the ly settled over a bar in a rum hole. No capital, to the effect that any further raids labor society ever admitted a rum-seller upon the treasury would be combatted by that did not die a drunkard's death. No the president's veto, created considerable workingman ever drank a glass of rum generation. President Cleveland is the who did not rob his family of the price of first president, it is said, who has under- it, and in so doing committed a double taken to scrutinize private bills. But he crime, murder and theft. He murders the became alarmed at the reckless way con- intellect with which the Maker endowed gress was rushing the pension business. A him. He steals from his family the means ght ago the senate alone, in one day, of sustenance he has earned for them. assed over 450 such bitls, after merely Turn to the annuls of every dead labor reading their titles. This hurried and society, and you will see the whole pages parcless way of taking money out of the blurred and destroyed by the accursed national treasury struck the president as footprints of rum. Scan the records of a eminently improper, and he began sending meeting at which a disturbance took place to the pension office for the records in or- and you will hear echoing through the hall der to satisfy his min! concerning each of the mandlin, fiendsh grant of the drunken the cases which have thus far come before brute who disturbed the harmony of the him. It is, perhaps, no more than the meeting. In the whole English language president's daty, that it is a duty which I can find no word that strikes more terror has rarely been performed; and the ques- to my soul than the one word "rum." It tion is, where Mr. Cleveland is going to was born in hell ere the fiat of 'no redempfind the time for the pursuit of his excel- tion,' had gone forth. Its life on earth has

No speech probably has been made dur- peace of old age. It has robbed childhood ing the present fession of congress which of its delights. It has stolen the laugh has created so much of a sensation as the from the lips of innocence, the bloom from one Idivored by Mr Hewitt, on Thursday, the checks of manhood. It has when he protested against may further touched the heart of old age like the tip of bounties of other beneats of that kind to from the neck of a bottle, echoes through propositions are ill-considered, and of a thousand serpents. You may deem propositions are ill-considered, and or a monadad series. Yet I never although for seventy-five years to come, me too radical on this point. Yet I never the South will be belying to pay pensions interfere with the rights of a man to drink to the soldiers and to the willows of the it he so selects. I hold I have a right to snation are the best weapons to correct the perticion soldiers of the North, a southern member and to shun rum as I would an enraged cannot raise a question as to the propriety tiger, neither meddling with it or allowing

that the moment it attempts to the Knights of Lubor, then my soul rises in arms from New York, to the peculiar position of of Labor, then my soul rises in arms southern members, who are thus embar- against it, and I can find no words too rassed when they would like to oppose bitter, no denunciation to bifter to hurl these ruinous schemes according to their against it. convictions, was especially relevant and timely 100 declared that the limit of en-Whe part of the tax payer had been reached and that the discontent on scients of excessive faxation was breaking ont in riots, dynamite, and death. "Those

he wanted to dive their hands into the reasury, paid her take advantage of the delicate position in which the southern men are placed, being subject to the charge of disloyalty if they resist the steal." But no one could make this charge against

him and he would make the fight.

The great river and harbor grab which went through the house after a discussion extending over several weeks, takes from river commissions their power and gives it to the secretary of war. During the debate Hawley they have an average of \$800 each cised it. No grandeur of place, he said, in the savings banks. There are 370,000 nor insignificance of spot was ignored,
The hill reached everywhere. It was not restricted by any unpronounceable name, by any obscurity of situation, or by any difficulty characteristics situation, or by any difficulty setts, then, are remarkably well-to-do and setts, then, are remarkably well-to-do and of access. There was nothing that seem fortunate people-men, women and chiled to be too inerchible to be contained in this bill. The distranchised citizens of money in bank as all the 1,400,000 persons the enpital join issue with this assertion, have received in indignant because an appropriation for the Potomac Flats was souri, Colorado, Arkansas, Texas and omitted. Beause of this neglect of their Louisiana. Nay, they have as much as all own tair river they hold the bill is too imthat its object was not to deepen the chan-nel of noble streams, or to benefit the property of the whole American people.

Its rest our pose was to insure the return of a lot of congressmen to their seats in the large as that which stands to the credit of every factory operative, man,

All that the credit of every factory operative, man, woman and child, in Massachusetts and allowed to do, you know, is to poy their connecticut, they would have reason for being beside themselves over their good other people's rivers and harbors, bluffs

and flats, creeks and coves. They have no for the life of us we can't answer, and that representation in congress, no votes. They which, therefore, we respectfully sumit to dong to the people of the United States, the Connecticut and Massachusetts Senaabsolutely, and are governed be them. tors. It is this: Why should the prosed when congress is distributing fifteen millions of dollars.

In view of a threatened epidemic of congress like that of a year ago in Philadel-phia the Health Commission of Philadelphia, the Health Commissioner of Maryland officially recommends Red Star Cough Cure for throat troubles, as being free from opiates, safe and sure, and having none of Cockrell to speak the word and every hold-over re-

the harmful features of other cough mix and a simon pure democrat be speedly installed in his place. This is a consummation devoutly to be wished, but if Senator Cockrell holds the keys to so A gray horse ridden to town by Mr. W. rich a boon to democrats in Missouri, that can be R. Baker of the Rolling Home neighborhood, and hitched to the rack north of the more influence than they are sometimes willing court house, created considerable excitement in that quarter for a short time last standing in the body of which he is a member, as his opponers would make us believe, how came he ever to have acquired such a powerful influence with the seen to rear up and fall, as if in a fit, across the chain of the hitching rack. He was promptly extricated from this uncomfortable position by parties who went to his rescue; but, as soon as he was again upon his feat, he commenced bizing at his rescuers victously and rearing up and striking at them with his forefeet. He was given water, but instead of drinking it, would work his iaws as if hiting it, and acted work his jaws, as if biting it, and acted in the same way with food tendered him.

The horse was led off home by his owner

The ranks of the anarchists are filled with foreigners. The horse was led off home by his owner in this condition, and showed no signs of improvement whatever up to the time of leaving. Those who profess to be judges in the matter declare the actions of the equine were nothing more nor less that well defined symptoms of hydrophobia, and the fact that a man dog is known to have passed through Mr. Baker's neighborhood recently wquilt seem to sustain this theory; but Mr. Baker himself, it is said, believes his horse to have been poisoned by some fill-disposed person.—Huntsville Heraid.

The ranks of the anarchists are filled with foreigners who are brought here by capitalists to compete with American labor. Most and Spice and Schawb (the cowardly scountrels) are not workingmen. I would have more respect for their sincerity if they risked their own lives in the cause they pretend to advocate They only urge other men on."

Shoot them down, kill them all. When men get to tharound be handled with the greatest severity of the law, They should be shoth down in the act, or they should be handled with foreigners who are brought here by capitalists to compete with American labor. Most and Spice and Schawb (the cowardly scountrels) are not workingmen. I would have more respect for their sincerity if they risked their own lives in the cause they pretend to advocate They only urge other men on."

Shoot them down, kill them all. When men get to the handled with the greatest severity of the law, They should be shoth down in the act, or they should be handled with the greatest severity of the law, They should be shoth them down, kill them all. When men get to the handled with the greatest severity of the law, and their should be should be shoth them down, kill them all. When men get to the handled with foreigners who are the cause they reach their should be shot their should be should be shot them down, kill them all. When men get to the handled with the greatest severity of the law, and their should be shoth them down, kill them all. When men get to the sound have a should be should
